## EXECUTIVE BOARD REPORT

By Dave Ogi, President

**LUNCHEON REPORT:** Our February luncheon at the Dutch Mill Restaurant was attended by 98 members and guests. Our Program Chairperson, **Rose Riefer**, is trying out some new restaurants to give us variety in places. After the luncheon, **Jack Best**, of the Webster/Penfield Rotary Club, gave a brief presentation on what the Rotary organization is all about and volunteer opportunities within the local community.

**COMING ATTRACTIONS:** On Tuesday, April 20th, we will have our semi-annual business meeting after the luncheon at Mario's Italian Steakhouse. If you missed the luncheon at Mario's last October, you missed one of the best meals of the year, so try to make every effort to attend this time so you won't be disappointed. The main purpose of the semi-annual business meeting is to provide you with updates on the status of your club; to answer your questions; and to solicit your input on our path forward. One of the items that needs to be discussed is the potential of 2011 increase of dues from \$10 to \$15 annually. Your feedback is important!

As an added feature to our April luncheon, one of our members, **Jim Ebmeyer**, has agreed to show slides of his trip down the Inland Waterway. Jim estimates this will take approximately 45 minutes, and his presentation will follow the luncheon after the semi-annual business meeting has concluded.

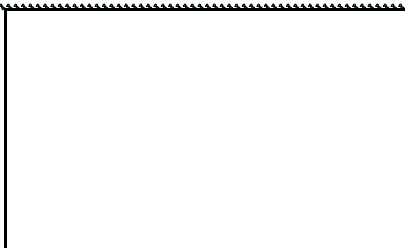

**UPDATE:** Last month I reported that the Town of Webster purchased the Xerox Recreation Association (XRA) Building 337; the town will continue to operate the facility as a recreation building. With the help of Xerox Corporate Real Estate and the Webster Site Facilities Manager, we have relocated our office to Building 336, utilizing a room adjacent to the 336 cafeteria. While the office is smaller than what we previously had, it appears to be adequate to meet our needs.

**OFFICE TELEPHONE:** As part of the office relocation, the board members evaluated the telephone usage. We determined that the cost of moving the phone and the associated phone bill of \$350 per year is an expense we can eliminate. If you need to inquire about luncheon information (table captains, cancellations, etc.), please call our Program Chairperson, **Rose Riefer** (585-545-4783) directly. For all other matters, please consult the 2010 Annual Reference Guide for the appropriate individual to contact. Phone numbers for all committee chairpersons and your board of directors are listed in your "Annual Reference Guide" that was sent out last December.

and... FYI: If you have not paid your dues for 2010, you will be receiving a notice by e-mail if you're on electronic *XPRESS* distribution, or a red stamp on your *XPRESS* issue. If your dues are not paid prior to the May 2010 *XPRESS* publication, you will not receive a copy of the *XPRESS*.

Thank you to all of our volunteers for your continued support in keeping our club alive and active. Also, we would like to welcome our new members to the club.

If there is a **red stamp** in the box, it means that our treasurer (**Gene Lochner**) has not received your Pioneer Club membership renewal for the year 2010. For your convenience, we are again running a membership renewal form on Page 8. **If the completed form is not received by April 15**, this will be your last issue of the newsletter.

## Norma's News

Something to bring a smile to your face in this time of so much bad news: Talking to **Ilse Miller** on the phone, she related a story about her three-year-old great-granddaughter, Claire. Claire was in the bathroom when her mother heard a crash. Finding something broken, her mother asked, "Did you break that on purpose or was it an accident?" To which Claire replied, "Which answer will get me into trouble?"

It seems that Claire, called Qi-Qi (which is pronounced Chi-Chi in Chinese), is wise for her age. When she was two years old, her father followed her into the bathroom. She said, "You cannot come in. I need my privacy!"

If somebody else has a story they want to share, let me know. Send an e-mail to: [nrappl@frontiernet.net](mailto:nrappl@frontiernet.net) or phone (585) 385-3967.

## Community Service Project - 2010

The XRX Pioneer Club is pleased to announce it's 2010 Community Service Project: Wayne County Rural Ministry / Come-Unity Center, Inc. 4107 E. Main Street/Box 73, Williamson, NY 14589, 315-589-8105, Janis Thomason-Mussen, Executive Director.

Most people think there are few homeless people in rural areas. National statistics report that one out of every six homeless persons lives in rural America. The village called Williamson is a very small rural area; who would think of homeless folk living there? Many apple orchards and many growers have gone out of business because of high competition from foreign countries. Those that are left continue to hire migrant farm workers to pick their crops—many of whom are Hispanic. However, the INS (Immigration and Naturalization Service) of the federal government makes life difficult for the workers by stopping even those who are legal when they leave the camps to go into town. INS also removes / deports those who are undocumented, leaving some farms without workers to pick the harvest. Therefore, some growers are choosing to hire other minorities to pick their crops.

There is no shelter in Wayne County. Homeless people contact the Department of Social Services or the sheriff's office, and then are placed in motel rooms. Wayne County Rural Ministry / Come-Unity Center, Inc. serves all of Wayne County. It is a small local "storefront" operation dealing with homeless as well as people suffering in poverty in rural areas. The ministry is rooted in the Christian faith and supported by ecumenical churches. They have operated for more than 50 years without taking government funding and do not participate as a United Way agency.

Last year the Center served thousands of food boxes, lunches/holiday dinners; and shoppers donated produce bags, free clothing, blankets, Easter baskets and school supplies for kids, gave financial loans and income tax assistance. The number of people served continues to rise on a daily basis.

The XRX Pioneer Club thanks members **Sally Kunkle** and **Dave Rauen** for coordinating this year's project!

## JCW Award

With much disappointment, we announce that the Joseph C. Wilson Retiree-of-the-Year Award will not become a reality. The Award Committee simply was unable to find a sponsor organization willing to donate the dollars required to kick off this event. We have notified the award nominees and will file the idea in the club archives for now. In the future, it's possible a donor will come forward with a \$500-\$1,000 donation to implement the award and to rebuild the excitement surrounding it.

## CONGRATUALTIONS

**Peter Crean**, a research fellow at the Xerox Innovation Group was this year's recipient of the Robert F. Reed Technology Medal from the Printing Industries of America! The Reed Medal was established in 1976 and is named after one of the pioneers of lithography. The Medal will be presented to Crean during the 62nd Annual Conference of the Technical Association of the Graphic Arts, to be held in March in San Diego.
