

Employee Discount Offer!

Your solution for the paperless road!
Expense reports 2 months old?
Business cards 2 jobs old?
Meet the **Xerox Travel Scanner 100**

Paperwork done before you get home

The Xerox Travel Scanner is lightweight (less than 11 ounces), smaller than a three hole punch and needs no AC outlet. Just connect the USB cable to your laptop, insert a document and you're already scanning. (If you can insert a dollar bill into a change machine, you have the scanning operation mastered.)

And not just scanning, but scanning to popular and productive destinations such as eMail, Word, local or network folders, or Xerox DocuShare®, ScanFlowStore® and SMARTsend®.
